

VOLUNTEER REGISTRATION FORM

To ensure the security and safety of agency youth, volunteers and staff, all volunteers must be screened to Youth HQ Foundation standards. For episodic activities, such as community outreach and fundraising events, where a volunteer does not have direct unsupervised access to children/youth(s), volunteers must complete a registration form and do not require full agency screening. This is a release of liability and waiver of claims. It is a legal document; make sure you read through it and understand what you are signing. The personal information collection is authorized under section 33(c) of the Freedom of Information and Protection of Privacy (FOIP) Act and the information collected will only be used for the purposes of registration, data administration or emergencies, and are held in strictest confidence by Youth HQ.
